Rotator Editor/Publisher

Carrie Cinnamon Rose

Rotary Program: November 18, 2015

Program Chair: Frank Dawahare

Speaker: Carrie Cinnamon Rose, The Rotary Foundation

In light of recent events and the chaos they have created, Rotary International's efforts for world peace and understanding among all nations is a timely issue. Carrie has been involved in

Carrie has been involved in Rotary for many years and has served in many capacities including club president and District Governor.

Rotary for many years and has served in many capacities including club president and District Governor.

She has championed the Rotary Foundation as the means by which every Rotarian can do their share in making the world a better place for all humanity.

Today, instead of giving a long speech, Carrie said she had a test for us to take. She gave each table a 3-page list of questions for our consideration. Here are some things we learned: This year marks the 100th anniversary of the Foundation, started by a meager donation of \$26.50 given by Arch Klumph in 1917. Then in 1947, on the occasion of the death of Rotary's founder, Paul Harris, donations began to pour in from all over the world, which established the coveted designation as Paul Harris

Fellows.

Today, a gift of \$1,000.00 earns Rotarians and non-Rotarians alike that prestigious title and the knowledge that this organization will have the funds needed to support both the World Fund and the District Designated Fund, both of which can be the source of grants to carry out the benevolent work of Rotary. As the \$100.00 gifts by every Rotarian, every year are managed by Rotary International, we all can take a measure of pride in the eradication of Polio, clean drinking water in remote countries of the world, educational programs to promote world peace

Program Continued

and understanding, medical missions, and hundreds of other examples of programs funded by the Rotary Foundation. All these initiatives fit the Rotary Foundation's six Areas of Focus, which include:

- (1.) Peace and Conflict Prevention / Resolution,
- (2.) Disease Prevention and Treatment,
- (3.) Water and Sanitation,
- (4.) Maternal and Child Health,
- (5.) Basic Education and Literacy and
- (6.) Economic and Community Development.

The project requests begin at the club level and a systematic screening process is used to ensure the quality of the funded projects as well as how well they meet the criteria outlined in the Areas of Focus.

When Carrie revealed the answers to the test and commented on some of our responses, we all could say we now have a better understanding of how our gifts are used to promote the ideal of service as a means of "doing good in the world".

By Supporting: YMCA, ELF, Habitat, Red Cross, Coats for Kids and other organizations.

"Doing Good In Our Community"

If you have any questions and volunteer for this event, please check the chair

Ghomer Prater.

Ray's Rib— More Corn

1. Two blondes walk into a building. . . You'd think at least one of them would have seen it.
2. My friend drowned in a bowl of muesli. A strong currant pulled him in.
3. What do you call a fish with no eyes? - A FSH.
4. I went to a seafood disco last week and pulled a muscle.
5. Two Eskimos sitting in a kayak were chilly. They lit a fire in the craft, it sank, proving once and for all that you can't have your kayak and heat it too.
6. Man goes to the doctor, with a strawberry growing out of his head. Doc says, 'I'll give you some cream to put on it.'
7. "Doc I can't stop singing 'The Green, Green Grass of Home.'" 'That sounds like Tom Jones syndrome.' 'Is it common.' "It's Not Unusual."
8. There was the person who sent ten puns to friends, with the hope that at least one of the puns would make them laugh. No pun in ten did.
9. Two hydrogen atoms meet. One says, 'I've lost my electron.' The other says, 'Are you sure?' The first replies, "Yes, I'm positive."
10. A vulture boards an airplane with two dead raccoons. The stewardess looks at him and says, "I'm sorry sir, only one carry on allowed per passenger."
